

QualCare PPO Provider Network Primary Service Area

The QualCare PPO provider network offers health care services in zip codes 07000 – 08999.

If the QualCare PPO provider network is displayed on your Guardian medical ID card, you will receive “in-network” benefits from participating QualCare providers.

You may also be eligible for “in-network” benefits when seeking care *outside QualCare’s primary service area* through the PHCS Extended Access network. Check the back of your medical ID card to see if you are eligible.

If you have questions, please visit www.GuardianAnytime.com or call the Guardian Customer Response Unit at the toll-free telephone number on the back of your ID card.
